

EAST WEST QL Dark Side

Cod.Art. : 10095

VIRTUAL INSTRUMENT

THE DARK SIDE offre una libreria di suoni di 40GB composta da sonorità acide, ipnotiche derivate da batterie e percussioni, bassi, chitarre, strumenti etnici, tastiere, archi, ognuno di questi strumenti ultra processati e diviso per categorie, così da creare sessioni complete. Per la realizzazione di THE DARK SIDE, Doug Rogers (EastWest) si è avvalso della collaborazione di David Fridmann, uno dei produttori più affermati della scena musicale.

Specifiche tecniche

- Produced by multiple Award-Winning producer DOUG ROGERS and Grammy Award-Winning producer DAVID FRIDMANN (MGMT, Flaming Lips etc.)
- Many instruments have been purposely—and skillfully!—mangled, distorted, or effected out of all recognition (plus a selection of dark and eerie instruments).
- Easy to use browser displays all of your instruments. Interface automatically changes to display current instrument.
- Perfect for pop (to toughen up the hook), alternative (everything you need), and, of course, film, TV, and game music production
- Included are 40GBs of highly processed drums and percussion, basses, guitars, ethnic, keyboard, strings, and FX instruments and sounds, all organized into instrumental groups
- Includes PLAY 2 32-bit and 64-bit* sample player, plug-in and standalone (*64-bit is PC only at this time)
