

ROLAND FP7F WH White

Produttore : Roland

Cod.Art. : 10201

PIANOFORTE DIGITALE

Il nuovo piano digitale Roland FP-7F porta il precedente FP-7 ad un livello superiore grazie a quattro nuove caratteristiche: il motore sonoro SuperNATURAL Piano, la nuova tastiera PHAIII con Ivory Feel e scappamento, un looper integrato ed un ingresso microfonic con effetti armonici. Questo pianoforte compatto e moderno è disponibile nelle finiture nero e bianco, ed è compatibile con la pedaliera RPU-3 e l'apposito stand KSC-44 (opzionali). Dall'uso professionale sul palco all'utilizzo domestico, l'FP7-F testimonia l'impegno continuo di Roland verso le nuove tecnologie per la creatività musicale.
