

BEHRINGER LX1200H V-Ampire Testata per chitarra

Produttore : Behringer

Cod.Art. : 1278

AMPLIFICATORE PER CHITARRA

This brand new 2 x 60-Watt digital guitar modeling amplifier head features 32 authentic amp models, 15 speaker cabinet simulations and 16 multi-FX including noise gate, compressor, wah-wah, modulation effects, delay, reverb and many more. The LX1200H perfectly matches the brand-new BG412V guitar cabinet as well as the entire series of legendary BG guitar loudspeaker cabinets. This tone monster really is the ultimate modeling amplifier. With 125 memory locations for storing your presets and a dual-footswitch, you have a truly gig-ready package! And be sure to visit www.v-amp.com.
