

EDIROL Music Creator Pro

Cod.Art. : 1567

SEQUENCER AUDIO & MIDI PER STRUMENTI

With Music Creator Pro, you get all the tools you need to turn your PC into a powerful, multitrack recording studio. Now you can record yourself or your whole band in pristine 24-bit/96 kHz, DVD-quality audio. Music Creator Pro combines professional recording, mixing, and audio effects with integrated ACID™-format looping tools, software synthesizers, audio CD burning, and more. Best of all, it's easy to use and you can get started with the PC you already own. Take the next step and start producing your music today with Music Creator Pro.
