Projecting with vintage flair and rich tonal balance, Masters Maple Pure's lively sonic character is truly something to be experienced. Derived from the original Masters shell recipe, Masters Maple Pure Snare Drums fuse a thin 4-ply North American Maple shell with 4-ply Reinforcement rings and MasterCast Die Cast Hoops. This classic, minimalist combination creates an open resonance chamber with tight top-end, for crispy snare rattle and smooth midrange projection.

Prezzo : €899,00 IVA inclusa (€736,89 esclusa IVA)
