

SPECTRASONICS SAGE Xpander BackBeat

Cod.Art. : 2155

LIBRERIA DI SUONI

Are you tired of searching through piles of overcooked, pretentious loops, when you're just trying to find a solid, tasty groove for your song? Our new Backbeat library is just what you're looking for...great feeling, rock-steady grooves with attitude, but without overplaying. The variety and quality within this single library is astonishing.

Ascolta le demo: (2.5mb) - (870kb)
