### LIBRERIA DI SUONI

Get ready to take it to the next level. Acclaimed producer Eric Persing's newest creation features an entire library of his trademark, cutting-edge loop manipulations. Each one of the hundreds of amazing remix grooves are truly unique in texture and feel. From floating, atmospheric Trip Hop pulsations, to experimental euro-club beats....and all the way to intense, Drum 'N Bass fury, this is an extremely versatile library for creative film composers, producers and remixers. The latest tools like Reactor™, Reason™ and over 100 hardware and software devices were used and abused to great effect in the development of this remarkable library. The processed rhythmic inspirations range in tempos from 50 to 180 BPM and beyond!
