

SPECTRASONICS SAGE Xpander Liquid Grooves

Cod.Art. : 2158

LIBRERIA DI SUONI

Grooves that have existed only in your imagination. Fluid rhythms forged by a synthesis of propelling live drum grooves and unusual, organic percussion loops. The live elements, performed by some of L.A.'s most creative session players, have been transformed into a unique sonic texture via ground-breaking signal processing techniques and state of the art instruments such as the Korg Wavedrum™.
