Using trickle down technology gleaned from years of developing some of the world's top selling cymbals lines like Evolution, Legacy, and even Artisan, SABIAN introduces HHX Complex, a new line of exquisitely dark cymbals. The 15" Complex Medium Hats employ a combination of HH and HHX hammering, a raw bell, and a number of the aforementioned proprietary techniques ? resulting in one of the richest, fattest set of Hats SABIAN has ever produced. The raw bell design on the over-hammered pairing of a Medium top over a Heavy bottom results in a very solid foot, dark cut when closed, and sizzling fat tone at all times. The versatility to easily cross musical styles has always been a hallmark of the HHX line, and the 15" HHX Complex Medium Hats are no exception.
