

AMERICAN DJ Rental Case 6x Focus Flex / L7

No image

Cod.Art. : 233299

Introducing our professional touring case, engineered to accommodate either 6 x Focus Flex or 6 x Focus Flex L7 fixtures with a precision-fit interior. Designed specifically for the demanding rental and production market, this case optimizes standard truck dimensions to ensure efficient loading, transport, and storage.

Manufactured in the Netherlands to high professional standards, the case features premium protective foam that securely cradles each fixture, minimizing movement and safeguarding against impact during transit. Built from durable, sustainable, and recyclable materials, it delivers long-term reliability while supporting environmentally responsible operations.

Ready for the realities of touring life, this rugged flight case offers dependable protection against shocks, vibration, and daily handling. Strong, efficient, and road-proven ? the smart transport solution to keep your Focus Flex fixtures protected and performance-ready.
