
TOCA World Percussion Bamboo Didgeridoos Crocodile

No image

Cod.Art. : 234223

Toca's interpretation of this ancient instrument, first played by Australian Aborigines 1,500 years ago, delivers an astonishing richness of sound. Each didge is made from a single bamboo shaft and hand-painted by artists from the South Pacific. The Toca Didgeridoo is 119 cm long and available in three designs ? Gecko (PG), Kangaroo (PK) and Turtle (PT).

New Designs (PC) (PK2)

Bamboo Didgeridoo

The collection features vibrant depictions of Australia's famous wildlife. The bamboo didgeridoos highlight two iconic creatures, the dynamic, stylised kangaroo and the bold, graphic crocodile, bringing the spirit of Australian wildlife to life through vibrant, eye-catching artwork.
