

BEHRINGER BA115 Ultrabass Diffusore per basso

Produttore : Behringer

Cod.Art. : 2369

DIFFUSORE PASSIVO PER BASSO

A large-diameter 15" BUGERA™ alu cone and a 1" horn driver combine to crank out a massive 600 Watts of power. An affordable way to experience the power and clarity of aluminum cones! Responsive and hard attack with full, rich tone results in a perfect blend of punch and clarity. With the ability to handle enormous power, the BA115 will deliver your music with precision when teamed with virtually any amp you choose.
