

## BEHRINGER BX4210A Ultrabass Amplificatore per basso

Produttore : Behringer

Cod.Art. : 2458

### AMPLIFICATORE PER BASSO

Powerful and packed with features, this truly affordable 450-Watt Bass Workstation with a front-ported bass cabinet has 2 original BUGERA™ 10" Hard Attack aluminum-cone speakers and a switchable 1" custom-made horn tweeter for high-end punch. If you think this is a mouthful, wait till you hear it in action! We're talking big sound here, but not at the expense of definition. Remember, power is nothing without control. Our patented\* Dynamizer technology gives you the ultimate punch, and the switchable Ultrabass subharmonics processor delivers stunning low-end power. There is a dedicated 4-band EQ with Deep, Bright and Shape functions for creative sound shaping. A musical opto-limiter assures problem-free high-volume levels without distortion, and you also get a vintage-style VU meter for precise signal level control. The connectivity options include 3 speaker outputs on 1/4" jacks and a professional speaker connector. A dual footswitch for Ultrabass and Shape functions is included.
