CASSA PASSIVA

ProVenue Series - The best value in great-sounding passive PA speakers. A perfect complement to Alesis GigaMix powered mixers. The Alesis ProVenue series offers superior performance and value in passive 2-way PA speakers. Built with a rugged polycarbonate casing and powder-coated metal grill, each ProVenue offers SpeakOn and 1/4" TRS connectors, recessed M8 mounting hardware, carrying handles, and a 35mm pole mount with twist fastener.
