

## BEHRINGER Business Environment Speakers CE1000P (coppia)

Produttore : Behringer  
Cod.Art. : 2837

### MONITOR PASSIVI

Look no further if you need a compact solution for various permanent installations such as restaurants, shops, exhibitions or houses of worship: the CE1000P is as a set of commercial-grade 300-Watt 2-way loudspeakers with an interchangeable, repaintable front that easily optically blends into its surroundings. Powerful 8" woofers and high-resolution drivers provide an ultra-linear frequency response, while specially designed waveguide horns give your sound excellent, equal sound distribution at any sound level. And, you're not left to your own devices when it comes to fixing them on your restaurant's walls: secure mounting is a snap using the included wall-mount brackets.
