

BEHRINGER Ultrabass Power Pack 3 [BX4500H + BA210 + BA115]

Produttore : Behringer
Cod.Art. : 2867

TESTATA + 2 CASSE PER BASSO

What a great looker! But that's merely the beginning: this authoritative full-stack package includes the ULTRABASS BX4500H bass amp head topping the ULTRABASS BA210 2 x 10" and BA115 1 x 15"

bass cabinets, both with BUGERA™ aluminum cone speakers and a 1"

horn driver for great definition. The ULTRABASS BX4500H is a massive 450-Watt bass amp head with patented Dynamizer technology,

boasting a switchable Ultrabass subharmonics processor for unbelievable low-end power and a revolutionary Shape filter for extreme sound range. You get a complete set of useful functions that are simple enough to be operated intuitively and quickly. An

extremely musical 5-band EQ with "Bright" and "Deep" functions gives you the ultimate in tone-shaping. There is an integrated

limiter and an active, temperature-controlled cooling system for ultimate protection. You also get a vintage-style VU meter for precise signal level control. A dual footswitch for Ultrabass and

Shape functions is included, and there are 3 speaker outputs on ¼" jack and touch-proof professional connectors compatible to Neutrik®

Speakon®. With this amp, you can certainly rock the stage like a pro! The BX4500H sits atop two mighty bass cabs: the 500-Watt, 2 x 10" BA210 and the 600-Watt, 1 x 15" BA115, both featuring a 1"

horn

driver. This full-stack package is an extremely affordable way to experience the menacing power and clarity of aluminum cones. The

attack is hard and responsive with full, rich tone, giving you a perfect blend of punch and clarity. With the ability to handle

enormous power, this monumental package will deliver your music with tremendous precision.
