

ESI nEar 04 (coppia)

Cod.Art. : 2935

COPPIA DI MONITOR ATTIVI

ESI introduces nEar04 - a high fidelity dual amplified bookshelf type speaker set. The nEar04 is designed to overcome all the typical limitations of conventional small sized speakers by providing a 4 inch Polypropylene curved woofer cone and 1 inch natural Silk Dome for the tweeter. The nEar04 inherits professional monitor speaker quality from ESI's nEar05 and nEar06 series. Sized only as compact bookshelf speaker for your desktop, nEar04 provides all the reference level sound quality and enough power for your audio monitoring especially in a digital audio production environment.

Caratteristiche

- Type : Dual amplified Bookshelf (one side passive)
 - LF Driver : 4 inch Polypropylene curved cone with high temperature voice coil and damped rubber surround.
 - HF Driver : 1 inch magnetically shield natural Silk Dome.
 - Frequency Response: 100Hz - 22kHz
 - Crossover Frequency: 4.1kHz
 - Amplifier Power: 20W x 2
 - S/N Ratio: > 100dB below full output, 20 kHz
- Bandwidth
- Input Connectors: 2 x TRS Balanced/ Unbalanced Input Connectors (L/R)
 - Polarity: Positive signal at + input produce outward LF cone displacement
 - Input Impedance: 20k ohms balanced, 10k ohms unbalanced

ESI nEar 04 (coppia)

- Input Sensitivity: 200 mV input produces full output with Volume control at maximum.
- Protection: RF interference, output current limiting, over temperature, turn-on/off transient, subsonic filter, external mains fuse.
- Indicator: Power ON/OFF indicator on front panel
- Power Requirements: Factory programmed for either 115V ~50/60Hz,
- or 230V~50/60Hz. Power via detachable 3 circuit line cord.
- Cabinet: vinyl laminated MDF
- Dimension: 206mm(H) x 136mm(W) x 149mm(D)

Prezzo : €199,00 IVA inclusa (€163,11 esclusa IVA)
