

BEHRINGER Pro Mixer DJX400

Produttore : Behringer

Cod.Art. : 0339

Mixer professionale per DJ

The PRO MIXER DJX400 is a ultra-high quality 2-channel DJ mixer with integrated BPM counter with time and beat sync display. It is ideal for professional DJs who place emphasis on a spacious layout that facilitates easy use, and is therefore perfectly suited for use in dance clubs or for DJ systems and is sure to deliver tons of pure fun. Super-smooth dual-rail "Ultraglide" faders with up to 500,000 life cycles promise years of worry-free operation. There are two dual input stereo channels with gain and 3-band kill EQ (-32 dB) as well as an awesome adjustable XPQ 3D surround effect. The intelligent PFL section features combined mix and split modes.
