MIXER PASSIVO

Our UBB1002 gives you the option of AC or battery power in an extremely flexible mixer with the audio quality and features you expect from a BEHRINGER console, opening the door to numerous additional applications. It features two mono, three stereo and a separate stereo tape return channel. All stereo channels have separate gain controls for mic and line inputs, allowing both inputs to be active. Each channel offers our renowned 3-band EQ plus two aux sends; inserts are provided on the mono channels. Phantom power and balanced inputs and outputs round out this professional package.
