

BEHRINGER Europower PMH518M Mixer amplificato

Produttore : Behringer

Cod.Art. : 4423

MIXER AMPLIFICATO 180 WATT A 4 OHM CON
EFFETTI ED EQUALIZZATORE

We have equipped this super-compact, rackmountable 180-Watt 5-channel powered mixer with a 24-bit multi-FX processor and FBQ feedback detection system for unsurpassed versatility and capability. Our revolutionary amplifier technology combines enormous power, incredible sonic performance and super-light weight

in one tight package. PMH518M's dimensions, at nearly half the depth and weight of conventional powered mixers, mean no more lugging around dead weight. The PMH518M features our renowned ULN

ultra low-noise design for highest possible headroom and ultra-transparent audio. The 5-channel mixer section comprises 5 mic/line channels plus separate 2-track in/output. You also get an integrated 24-bit FX processor with 100 awesome presets including reverb, chorus, flanger, delay, pitch shifter and various multi-effects. Our revolutionary FBQ Feedback Detection System instantly reveals critical frequencies for easy feedback removal. Additional highlights included 5 high-quality mic preamps with switchable Pad and Clip LEDs, effective, extremely musical 2-band EQ on all channels and a 7-band graphic EQ for precise frequency correction. The PMH518M has speaker outputs on 1/4" jack and professional speaker connectors (compatible to Neutrik® Speakon®)*.

Of course, rack mount brackets are included. With this level of incredible performance and a truly great price, you will be simply blown away!

Caratteristiche
