

## VESTAX CDX05 White DJ CD/MP3 Scratch Player con effetti

Cod.Art. : 4572

### CD PLAYER PROFESSIONALE PER DJ

Vestax has responded to the DJ with the CDX-05. A user friendly but Professional single CD player that carries all the functions as any other but with Vestax's original features and functions. With a layout for the DJ, whether mix or scratch, the CDX-05 will answer your needs. Attach it to the Tascam TT-M1 unit, the only single player CD unit compatible to the Tascam piece will allow you to convert your turntable to the CD, to control the CD via your turntable! If you prefer the analog feel, check the CDX-05 unit with the TT-M1 at your nearest Vestax dealer.
