CASSA ATTIVA A 2 VIE 400 WATT RMS CON
WOOFER DA 15" E DRIVER DA 1.25"

Building on the solid success of our EUROLIVE Series, the all-new EUROLIVE B215A is a high-power 400-Watt, 2-way lightweight active

PA speaker solution that delivers excellent sound even at extreme sound pressure levels. The B215A boasts an integrated sound processor that gives you the ultimate system control and offers reliable speaker protection. At its heart is an extremely powerful 15" long-excursion driver matched to a 1.25" titanium-diaphragm compression driver for incredibly deep bass and tremendous acoustic

power. In addition, you get ULN Mic/Line input with volume control and peak LED plus a dedicated 2-band EQ. A Line Out connector allows you to connect additional speaker systems. Versatile trapezoidal enclosure design allows different positioning: stand mounting with 35-mm pole socket or side tilt positioning for use as a floor monitor. Ergonomically shaped handles for easy carrying and setup round out this incredible feature set.
