

FOSTEX PM05SUB

Fostex

Cod.Art. : 4804

SUBWOOFER

Designed ideally for use with the PM0.5, the 110 watt, 200mm driver PM0.5-Sub produces precise, low frequency reproduction and an excellent deep bass output. Easy to set-up (just a single gain control and phase reverse switch), the combination of a pair of PM0.5's and PM0.5-Sub provides superb sonic quality at an affordable price.

Caratteristiche

- The addition of the 110 watt powered PM0.5-Sub MkII to a pair of PM0.5 MkII speakers greatly expands the frequency range down to as low as 25Hz without distortion
- Ideal for applications where clear, precise, 'full-spectrum' audio and flexible monitoring are required.
- A combination of power and accuracy that will satisfy even the most discerning user.
