

MARKBASS CL104 Classic 104

Cod.Art. : 5407

CASSA PER BASSO 4 x 10" 600W RMS

The old standard was a worthy inspiration. But this new revolution in rock bass honors the tradition, then takes it a bold step forward. The new Classic line of closed cabinets (with no bass ports) features new-school 10" B&C neodymium woofers, custom-designed for these cabinets. The cloth grille and black speakers give a nod to the forefathers, but the tone will remind you that timeless doesn't just mean old--it means past, present and future! Cabinets don't have to be heavy to sound heavy; and the only refrigerator you own should be at home keeping your beer cold! Your cabinet should be light enough for you to schlep yourself... So lighten your load, not your sound, and get timeless tone from a cabinet that has a longer life expectancy than you.

Caratteristiche
