make.believe

Cod.Art. : 5861

### SOFTWARE DI PRODUZIONE AUDIO / VIDEO

Say farewell to boring home movies and vacation slideshows. With Vegas Movie Studio software you can create captivating videos that beg to be watched again and again. Add professional pizzazz with transitions, titles, and special effects including green screen. Quickly format movies for online sharing sites or author your own DVDs. Our exclusive Show Me How tutorials help you get started fast. Just follow along with the step-by-step instructions and learn as you go. It's easy to transfer videos and digital photos to your computer. Vegas Movie Studio software quickly imports and organizes your digital media so you can get started fast. Simply drag and drop to create movies and slideshows with effects, transitions, and music. Make changes at any time and see the results instantly. Powerful tools let you burn the movies you create to DVD or CD. You can also export to formats such as QuickTime® and Windows Media® for easy posting to popular video sharing sites.
