SOFTWARE PER PRODUZIONE AUDIO

If you're serious about making your own music, ACID Music Studio software is the perfect tool for original song creation, multitrack audio and MIDI recording, and studio-quality mixing, and effects processing. Share your songs any way you want — burn your own CDs, upload to the web, prepare audio for podcasts, or export to your MP3 player. With built-in tutorials to guide you, you'll be composing, mixing, and mastering like a pro in no time.
