TASCAM
TEAC PROFESSIONAL

Cod.Art. : 6234

REGISTRATORE PROFESSIONALE DI CD CON INGRESSI BILANCIATI

The CD-RW901SL Professional CD recorder gives studios and contractors the professional connections and features they need, like AES-EBU digital I/O, RS-232 serial control and a timed track increment for adding CD track ID markers during recording. Starting with the features of the CD-RW900SL, the CD-RW901SL adds XLR balanced analog I/O, a wired remote control, and other features professionals demand.

The balanced XLR and unbalanced RCA ins and outs have dedicated

input level controls on the rear panel. Digital inputs are provided in both AES/EBU and SPDIF format, with automatic sample rate conversion for compatibility with nearly any signal. The CD-RW901SL

even plays back MP3 files with ID3 titles.

A Time Track Increment feature automatically adds a CD track ID every few minutes (selectable from 1 to 10 minutes), ideal for live concert and event recording. The Key Original function changes the playback speed without affecting the pitch. The PS/2 keyboard input offers not only the ability to name tracks using CD Text, but gives the user one-key access to frequently-accessed menu and transport functions.

Using Tascam CD recorders is simple, which is why they're the first choice for any contractor and high-level consumer application.

Caratteristiche

- Records to pro CD-R, CD-RW and consumer CD-R and CD-RW media
- NEW! Selectable read speed to increase playability of low-grade or damaged media

TASCAM CD-RW901SL

- 24-bit A/D and D/A converters
- XLR balanced analogue I/O
- RCA unbalanced analogue I/O
- Coaxial and optical digital I/O (SPDIF)
- AES/EBU digital I/O
- Automatic input sample rate converter (32 to 48 kHz, defeatable)
- Independent L/R analogue input level control
- Digital volume
- Sync recording function
- Auto track increment by level with trim function
- Time Track Increment: Adds a CD track ID every 1 to 10 minutes
- Set index marks
- NEW! Selectable skip mode: jump by track, by index, or in 1-minute steps
