

## VESTAX PDX3000 Mix Giradischi professionale per DJ Braccio a S

Cod.Art. : 6310

### PIATTO PER DJ PROFESSIONALE

For DJs who have craved to see a Vestax turntable with an S arm and for mixing and scratching, the PDX-3000mix is now here. The new tone arm is constructed with high quality bearings which support the tone arm movement with great tracking ability and durability. The arm pipe is made from quality aluminum which provides a fine tone signal for quality sound pick-up and output. With the new torque simulator, the PDX can control its pitch to the finest precision to enable mixing to be near perfect. The PDX-3000mix (\*1) is also the world's first turntable to have MIDI connection, which enables external MIDI devices to control the pitch.
