

## ALESIS USB Podcasting Kit Mic + Cuffia + Stand

**ALESIS**

Cod.Art. : 6382

### MICROFONO CON SCHEDA AUDIO

Professional-sounding podcasting for your Mac or PC has never been simpler or more affordable than with Alesis' USB-Mic Podcasting Kit. Just plug the high-quality USB microphone into your computer (with no complicated drivers to install) and use the included Audacity software to record your voice, music and any other external sounds you wish to include for your final product. The USB-Mic provides 16-bit / 44.1- 48kHz audio straight to your computer, and the Kit includes premium headphones for monitoring your session. The Alesis USB-Mic Podcasting Kit comes with a free 30-day subscription to Alesis' custom podcast website, [www.alesispodcast.com](http://www.alesispodcast.com), to even make broadcasting and distributing your work a snap.
