

## BEHRINGER UB502 Eurorack

Produttore : Behringer  
Cod.Art. : 0710

### MIXER PASSIVO

It may be small, but the UB502 features the same state-of-the-art Invisible Mic Preamp (IMP) and the same Ultra low-noise (ULN) design for highest possible headroom as its larger brethren. Its one mono channel plus 2 stereo channels with a 2-band EQ on the mono channel make it ideal for use with fixed audio installations as well as keyboards, samplers and computer application. Hobby musicians and video makers will also find use for this ultra-compact mixer.

### Caratteristiche

- 2 ch stereo
- 1 ch mono con IMP
- EQ a 2 bande nel canale mono
- In/Out a 2 tracce addizionale

Prezzo : €43,90 IVA inclusa (€35,98 esclusa IVA)
