

IK MULTIMEDIA T-RackS 3 Deluxe - Crossgrade

IK Multimedia. Musicians First.

Cod.Art. : 7311

SOFTWARE PER MIXING & MASTERING

Questa versione scontata "crossgrade" è utilizzabile solo dai possessori di almeno un qualsiasi software IK Multimedia correttamente registrato sul loro sito web, incluse le versioni in bundle con schede audio ed escluse le versioni "Free".

The new T-RackS 3 raises the bar again in high-end DAW mastering and mixing, with a suite of 9 analog modeled and digital Dynamics/EQ processors, an audio quality that is unmatched in software, and scores of new and unique features.

Caratteristiche

- 9 processors comprised of 3 new analog and vintage emulations (including models based on the Fairchild 670 and the Pultec EQP-1A), 2 new digital processors as well the 4 classic, award-winning T-RackS processors
- New configurable mastering/mixing chain - run up to 12 parallel/series processors
- New complete built-in metering section with Peak, Perceived Loudness, Phase, and RMS meters, plus a Spectrum analyzer with Peak, RMS and Averaging indicators
- New standalone and plug-in versions available in the same package for use in all the most popular native DAWs
- New high-fidelity oversampling with crystal clear transparency, for high quality audio processing throughout the entire signal path
- New SCC™ technology coupled with IK's unique DSM™ technology provides the most realistic software emulation of vintage gear to date
- Extremely easy to use, with style-based presets, full chain
