SOFTWARE PER EDITING VIDEO

Say farewell to boring home movies and vacation slideshows. With Vegas Movie Studio home video editing and DVD authoring software you can create captivating videos that beg to be watched again and again. Digital video editing tools add professional pizzazz with transitions, titles, and special effects including green screen. Quickly format movies for online sharing sites or author your own DVDs. Our exclusive Show Me How tutorials help you get started fast. Just follow along with the step-by-step instructions and learn as you go.

Caratteristiche
