Cod.Art. : 7426

### SOFTWARE PER VIDEO EDITING

Video editing, audio production, and DVD authoring come together in a single, powerful solution. Vegas Movie Studio Platinum Edition software has everything needed to produce high-quality movies, corporate videos, wedding DVDs, and more. Easily edit video in almost any format including high definition. Powerful tools for video compositing, color correction, and surround sound mixing help you get feature-film results in your home studio. With integrated DVD authoring, Blu-ray Disc burning, and multiple options for online posting, you can deliver projects however you or your clients desire.
