### AMPLIFICATORE VALVOLARE PER CHITARRA

To celebrate our silver anniversary in 2009, Hughes & Kettner is launching a new and improved version of the highly-acclaimed Edition Tube with the 25th Anniversary Edition Tube as a limited Silver Jubilee series. If there's a manufacturer who can pump out a genuine 4x12" punch out of a 1x12" combo, then it's Hughes & Kettner. The new 25th Anniversary Edition Tube proves it once again. Two tube channels decked out with dual EL 84 power amps and

"saturation-friendly" 20 watts, plus the beefy Celestion G12T-100, specially housed to optimize rich bass sound show how it's done right: merciless, heavy-duty rock even at medium volume! And this, you get only with Hughes & Kettner: a Clean channel with pure, crystal-clear, sparkling sound that can inspire the most soulful of ballads. All of this Made in Germany!
