PIANOFORTE DIGITALE

Il nuovo RP-201 offre i tipici suoni di pianoforte Roland e la tastiera Hammer - Action in uno strumento elegante e compatto. Il suono di Grand Piano è ora ancora più realistico grazie all'accurato modeling per la risonanza delle corde, del damper e del key-off. Sono presenti diverse funzioni incorporate, come ad esempio il metronomo, un recorder, e la modalità Twin Piano, perfetta per l'utilizzo studente/insegnante. Il pannello frontale permette un rapido e semplice accesso alle diverse funzioni, mentre i bassi livelli di consumo garantiscono un miglior impatto ambientale.
