PIANOFORTE DIGITALE 88 TASTI A CODA NERO

Per un normale osservatore è un oggetto la cui bellezza colpisce occhi e orecchie. Per un pianista e' un oggetto di desiderio. Per i progettisti Roland è un minicoda che rispecchia il look, il tocco ed il suono della tradizione, pur sfruttando la più moderna tecnologia disponibile, quella dei Roland SuperNATURAL Piano. La sua tastiera top di gamma PHAIII con Ivory Feel offre il tocco di un vero pianoforte a coda, mentre il sistema di amplificazione integrato a quattro speaker regala un suono ricco e potente.
