

YAMAHA DTX550K

Produttore : Yamaha

Cod.Art. : 9495

BATTERIA ELETTRONICA

La configurazione compatta della DTX550K è centrata sul rullante, sul charleston e sui piatti Ride, tre delle componenti fondamentali di una batteria. La DTX550K è dotata di un' impressionante gamma di suoni che la rendono la scelta ideale, sia per le esercitazioni a casa, sia per le performance live. Nuovo pad rullante 10" "XP100SD" DTX-PAD, Charleston mobile, Pad piatti a tre zone "PCY135" e "PCY155" utilizzabile come Crash 13" e Ride 15". 427 suoni di alta qualità, Rack compatto "RS85A", dotato di un morsetto a sfera che permette di posizionare il pad rullante esattamente come si desidera.
